Step 2: Access and check out eBooks

a. Tap **My Library** to access your school's eBooks.

b. Search for the eBook you want to read.

c. There are two ways to check out a title, depending on whether you search in Cover or List view:

Search view	Then...
Cover	On an eBook cover, tap **Open** > 🅘 > **Checkout**.
List	Tap **Checkout/Hold** next to the title.

Note: You can read an eBook online without checking it out; however, if you close the eBook or it times out, it becomes available for others to check out.
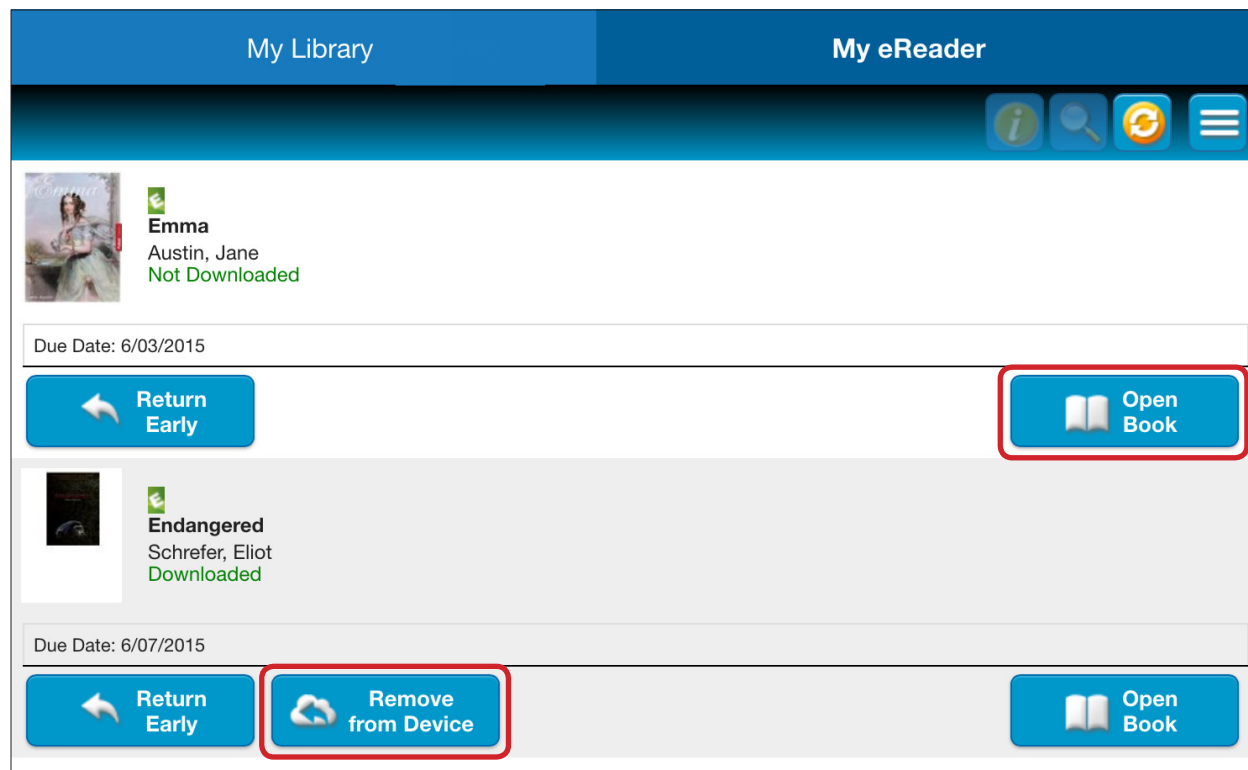

Important: An eBook is not available for offline reading until it is checked out and then downloaded to a device while you are online.

Step 3: Reading a Checked Out eBook

a. Tap **My eReader**.

   Note: If you do not see **My eReader**, tap [menu icon] > **My eCheckouts**.

b. If you do not see your latest checkouts, tap [refresh icon]. Then, next to the eBook you want to read or download for offline reading, tap **Open Book**.

c. Use the following table to choose what you want to do:

If you want to...	Then...
Read an eBook online without downloading it	1. Next to the eBook you want to read or download for offline reading, tap Open Book. 2. In the **Confirm Download** pop-up, select **Continue** reading online. The eBook opens.
Download an eBook to read offline	1. Next to the eBook you want to read or download for offline reading, tap **Open Book**. 2. In the **Confirm Download** pop-up, select **Download Title**. The eBook opens for online reading, and the download progress appears at the top of the page.
Play an audiobook (downloading is required)	Next to the title, click **Download**. The download progress appears.

Note: To access an eBook or audiobook and corresponding notes that are downloaded on another device, you need to move the book back online. From the device it's downloaded on, tap **My eReader** > **Remove from Device**. Then, complete Step 3 to read or download the checked-out eBook.
