TIME FOR KIDS

TIME FOR KIDS® Informational Text

An ongoing best-selling series for grades K–5 (30 titles per grade) with more levels on the way, this series is a force to be reckoned with! Currently featuring 360 titles (English and Spanish), this fun series

will keep readers on the edge of their seat as they read from cover to cover with quality content that sets these books apart!

- **What makes these books are so special?** The books in this series contains authentic TIME FOR KIDS® content, engaging topics and layouts plus a variety of text structures, academic- and domain-specific vocabulary, and complex text aligned to the content areas. As readers progress from one level to the next, they will find increasingly challenging text and text features.

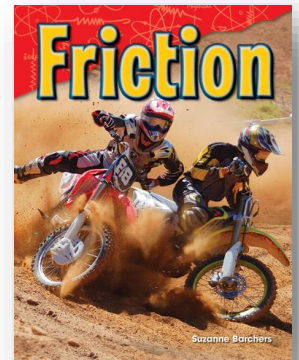

SCIENCE Informational Text

Science Informational Text

This engaging 96-book series for grades K–5 makes complex science concepts accessible to all readers with text features including grade-appropriate

content amidst eye-popping layouts—all designed to grab readers by the lab coat!

- **Why these books are in demand!** Each book in this series invites readers to roll up their sleeves and think like a scientist with a lab activity and “Your Turn” activity to further explore life, physical, and earth and space science.

Social Studies

Social Studies Informational Text

The newest series for social studies features 128 titles (English and Spanish) for grades K–3. The books in this series span the four strands of social studies content (History, Civics, Geography, and Economics) and are designed to help readers build conceptual social studies knowledge and provide multiple texts around a common theme.

- **Why these books are so popular!** Each book in this series features embedded primary sources and an activity suggestion to expand on what was read.
