

Once a teacher has assigned a Reading Path to you, you can begin reading the eBooks in that Path.

Important: To view and access your Reading Paths, you must be connected to the Internet.

To follow a Reading Path:

1. Log in to Universal Search.
2. To see your Reading Path assignment, select **Bookbag > Reading Paths**.

Note: When there's a Reading Path assigned to you that you haven't started yet, you'll see a numbered alert icon next to your Bookbag and Reading Paths.

3. Next to the name of the Path you're going to work on, click .

Note: If your teacher assigned you to read the eBooks in a specific order, you will only see the first title in the Reading Path. If you see all of the eBooks in the Path, as well as the number of titles you are assigned to read from that Path, you can read them in any order.

4. Once you see the eBook(s) assigned to you, click **Close** to return to the Universal Search homepage.

Reading Paths For Students

5. Search for the eBook you want to start, and then click **Checkout** from the search results. This changes the status of the title from Not Started to In Progress.

The screenshot shows a software interface for reading paths. At the top, there is a blue header bar with a 'Close' button (book icon), an information icon (i), a search icon (magnifying glass), and a menu icon (three horizontal lines). Below the header, the text 'Reading Paths: 1' is displayed. The main content area has a blue title bar that reads 'Math Reading Activity - Q2' on the left and 'Titles: 2 (read in order)' on the right. Below the title bar, a grey bar indicates 'Assigned By: Lisa Washburn on 7/13/15 3:39 PM'. The reading path contains two items, each with a book cover image, the title, author, and status. The first item is 'Once Upon a Dime' by Nancy Kelly, with a status of 'Finished'. The second item is 'Windows, Rings, and Grapes- a Look at Different Shapes' by Brian P. Cleary, also with a status of 'Finished'. At the bottom right of the interface, a blue button with the text 'Complete Reading Path' is highlighted with a red rectangular border.
